

God's Ordered Authority Structures

1 Corinthians 11:2-16 / Sunday, November 19th

1. This text is actually all about God's order in _____ and God's order in the _____.
2. There must be some kind of order; and order of necessity involves rank. However, rank and quality are two different things. The captain has a higher rank than the private, but the private may be a _____ man. (Wiersbe)
3. Walking in harmony with God's ordered authority structure requires walking in the _____.
4. Paul's final argument is that the use of a head covering was an established _____ of the church. Most contemporary interpreters take this verse to mean that the custom was culturally based.
