### **“About Our Guest Speaker, Cyril Gordon”**

Born in France into a Jewish family, Cyril's parents divorced when he was two, and his mother took him and his little brother to San Francisco to live with their grandmother. After his Bar Mitzvah (celebration of manhood), his focus in life was redirected to partying. This hedonistic lifestyle continued into college at the University of California Santa Barbara where he studied Art. By the end of his sophomore year, he was disillusioned with the party lifestyle and started searching for the meaning of life in various philosophies and religions (except for Christianity), as Jews are taught by the rabbis that Jesus is not for them. After studying with some rabbis in Jerusalem while on a trip to Israel to study Art, Cyril concluded that the Bible was Divinely inspired and became a Modern Orthodox Jew. He thought that he would find spiritual fulfillment in following the Mosaic law, instead, he was confronted with what a great sinner he was. After graduating from the College with an Art Studio degree, Cyril became a full-time artist in Emeryville, California. Even though he was a successful artist, he became more and more aware of a dark power that was trying to destroy him through self-destructive addictions, and that scared him.

Cyril had started looking into Jesus following a vision of Him he had while in the desert crying out to the God of Abraham, Isaac, and Jacob. In 1993, Cyril met a true Christian who wasn't Jewish, but worshipped the God of Israel. She made him jealous for Jesus with a true faith he saw emanating from her and sent him some books about Jesus. These books showed Cyril how Jesus fulfilled the many Messianic Prophecies in the Old Testament, and after a visitation in a dream that showed him that it was TIME TO COME HOME, his eyes were open, and he accepted Jesus as his Lord and Savior. Cyril was immediately set free from the sin that enslaved him and was radically transformed to serve the Lord Jesus with his whole being. Cyril's been a passionate evangelist ever since and has seen 100s of people come to faith in Jesus since his Salvation.

Cyril is a minister of the Gospel of Jesus Christ, especially focusing on reaching the Jewish people. Jewish Outreach International evangelizes and disciples Jewish people and others while equipping the body of Messiah to do the same. Cyril is currently involved in street ministry handing out Bibles and sharing the Gospel in Venice Beach.

May you be blessed by our brother Cyril today!

**Pastor Mike**
